Infants and morning Lining Up

We are really pleased with how independently the children are lining up in the morning before school. To build on this further, can we please ask that parents and carers stand well away from the children's lines so that they can independently and calmly enter the school building. Thank you.

Parent's Evening

Infant parents evening requires that parents sign up for a timeslot. You may call into the Hall on Monday 15th October from 9.15a.m or telephone the Infant site on 0161 681 5270 from 9.30a.m onwards. Thank you.

2019/2020 School Holidays

The 19/20 school holidays are now available on the school's website. You can also ask Miss Ginko or Mrs Parkin for a copy in the school office.

Data Sheets

We are still missing several data sheets. Please send these into school as a matter of urgency. These sheets contain details that we would need in the case of an emergency.
