Dear Parents / Guardians,

6<sup>th</sup> July 2018

Monday afternoon is the KS2 Sport Activity Afternoon which will take place at 2 o'clock in the Junior playground.

All children will need their normal school PE kit, but can wear trainers or pumps. As the weather is forecast to be warm and sunny, could they all please have a water bottle to carry round with them to each individual station. There will be a drinks station, but the children may need rehydrating throughout the afternoon and for health and safety reasons we are unable to allow them in and out of school frequently.

It would also be advisable to ensure that your child either has sun cream applied before school and / or brings sun cream with them to self-apply. They will also be allowed to wear sun hats and caps if required.

Although we are not allocating tickets for Sport Activity Afternoon, we are having a strict admission procedure to ensure we know who is on site.

- Entrance will be via the front office (James Street)
- Entrance will be between 1:30 and 2:00
- Seating around the playground is limited, so please be aware that there might not be seating for everyone
- Once the event has started, the front door will no longer be used as an access point and the playground gate will remain locked
- When the event has finished, the children will come back into school and the school will be locked – we anticipate this to be at about 3 o'clock
- Parents can then either wait in the playground for 3:30, or exit the school via the playground gate on to Kershaw Street if you need to collect children from the infants
- Unfortunately, for safeguarding reasons, it will be too difficult to organise children leaving early after Sports Activity Afternoon

If you have any questions please contact the Juniors on 0161-681-5713

Yours sincerely

C. Gibson
