

Sports Premium Report June 2018 – Responses regarding how the Sports Premium Grant has been spent

Questionnaires were given to children across both sites.

These are the results.

Effective delivery of P.E. throughout the school.

Children have enjoyed the P.E. coaching and developed different skills and knowledge of activities. They are also aware of the positive impact physical education has on their bodies and mind. Assessments in P.E. show that % of children are working at or above the expected standard for P.E. in their year group.

In EYFS and KS1 98% enjoyed P.E. taught by the P.E. coach because

- We play different games
- I like exercising
- We warm up before we start
- It is fun

The children have particularly enjoyed

- Throwing and catching
- Football
- Carousel activities
- Basketball
- Tennis
- Getting fit
- Warm up games

Those children who did not enjoy it because

- I get tired running
- I don't like getting dressed

In Key Stage 2 100% enjoyed P.E. because taught by the P.E. coach because

- It is inclusive of everyone
- It is fun
- Lots of different activities

The children have particularly enjoyed

- dodgeball
- gymnastics
- cricket
- hockey
- Tennis
- Getting fit
- Warm up games

Staff have increased their subject knowledge and confidence in the particular areas of warm up activities, key skills and they have applied their knowledge to after school clubs as well.

Teachers have

- Developed warm up activities
- How to adapt sports
- Increased knowledge of key skills
- How to model key skills and break them down into smaller steps

Increased opportunities for children to access a sport club.
Increased opportunities for physical activity during the day.

Throughout the school there has been an increase in the number of children who now attend a sporting club. Behaviour logs show a reduction in the number of incidents during playtimes and lunchtimes. Children have also noted how the coach has helped them to resolve conflicts and problem solve.

In EYFS and KS1 the children enjoyed football because

- We practise football skills
- It's exciting
- I can do fast running
- It made me happy

As well as attending a football club, children also attend

- Swimming
- Rugby
- Tennis
- Cricket
- Karate
- Ballet/dance
- Jiu jitsu
- basketball

In KS2

- 44 children use the football coach
- 15 children attend a football club

Other clubs attended include

- Gymnastic
- Cricket
- Tennis
- Basketball
- Dance
- Swimming
- Cheerleading
- Rugby

Improvement in children's knowledge of keeping fit and maintaining a healthy lifestyle

All children and families had access to the Life Education Caravan.

The children felt that the Life Education Caravan taught them about

- being healthy
- eating healthily
- different body parts

they shared information at home about

- teeth brushing
- hygiene
- a healthy lifestyle

... children enjoyed Freddie Fit because

- it makes me love exercising
- exercising with music is fun it taught us about healthy ways to live
- it was super exciting

Information shared at home included

- information about different exercising
- teaching my brother to hula hoop
- teaching my sister to limbo

Impact of additional resources for sporting activities during playtimes and lunchtimes

Children in EYFS and KS1 have made use of the

- hula hoops
- footballs
- quoits
- skipping ropes basketballs
- bats and balls
- stilts

They play

- football
- basketball

They have created games such as

- racing
- touch ball

By the end of KS2, 36 out of 39 pupils were confident and proficient at swimming 25m
